Dear Parents and Carers,

### **Re Remedial Works at The Bridge**

I hope you've all had a good half term. We came back to the completion meeting, at the Bridge, with regards to the remedial work, and I'm delighted to inform you that normal service will resume from Thursday 11 June.

We are extremely grateful to the contractors who have worked so hard to complete the works, in a timely manner, ensuring the least disruption to the pupils. We extend our gratitude to the staff, who have been both patient and flexible during the past 5 weeks, trying to keep things as stable as possible for the amazing young people. Finally, as I said in my last letter, the pupils have coped remarkably well, under the circumstances, including navigating exam period...what a bunch of stars!

Again, as previously mentioned, we will be hosting a celebratory 're-opening' event in the Autumn term, and we hope to see many of you there (more details to follow).

Similarly, may I take this opportunity to wish our leavers every good luck for the next stage of their education.

Yours faithfully,

Lisa Suter  
Executive Regional Director
