**magic
breakfast**
fuel for learning

Dear Parent / Carers,

Heatherwood School are proud to be working in partnership with Magic Breakfast, providing healthy breakfasts to our pupils so that they are settled and ready to learn.

Magic Breakfast provides Heatherwood with nutritious breakfast food (Such as bagels, crumpets, Weetabix, rice krispies) to ensure children start their school day in the best possible way.

Here at Heatherwood we believe that providing pupils with a breakfast provision at the start could help improve concentration within sessions as well as introducing pupils to (potentially) new foods. The breakfast provision will also serve as a valuable session whereby pupils can develop communication, independence and social skills.

The breakfast provision will be starting to run in school from 29th January and will run in classes from 8.45-9.15am as part of their morning routine. The cost of the provision is free.

If you have any questions or would like a discussion around magic breakfast, then please feel free to contact me directly at Heatherwood School.

Many thanks,

Rochesca Moody

Assistant Headteacher
