

# Heatherwood School

## Curriculum Development

At Heatherwood we are on an amazing and an exciting journey to develop our curriculum. We continue to work on the implementation of a curriculum that meets the holistic needs of all the learners and their families of Heatherwood.

Our vision: **Our curriculum will be based on the Care we give to all pupils, the Opportunities we facilitate, through Real life experiences and situations providing their entitlement to an Education**

### Care

### Education

### Opportunities

### Real Life
