

Remote Learning ARC

Shared Stories

Share your favourite story together.

We are focusing on Rainbows and Puddles. Reading "Hey Water!" and "The cloudspotter". Also focusing on Seasons and Autumn especially. Looking at weather and related books stories and music.

On You Tube there is a sensory story version to watch or listen together.

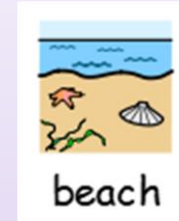

Hello,

Please find some suggestions for you to complete at home.

Looking forward to seeing you again soon.

Take care

Gyorgyi Fellner and the ARC Team

Exploration

Explore water in any form such as hot-cold, ice. Investigate what we use water for around the house, inside and outside.

Make a picture with different colours mixed together observe how they change!

Use paint or colourful paper

Physical

Explore different movements to keep active.

Rock side to side, move your arms and hands, clench and unclench fingers. Hold on to and let go objects.
