Shared Stories

Our topic theme's this term are Bright lights, big cities and Shadows and reflection.

We will be sharing stories and reading about light and dark as well as colours. We are focusing our learning on opposites.

Our texts this term:

Hello,

Please find some suggestions for you to complete at home.

Looking forward to seeing you again soon.

Take care,

Kayleigh and the yellow team 😊

Exploration

Go on a yellow/orange colour hunt and make a autumnal picture/collage.

Can you find lots of shiny objects/surfaces, what happens when you shine light on them?

Explore and taste honey.

Bake some bread and explore both hot and cold foods together.

Physical

Explore different methods of passing different balls to keep active as well as remembering to stretch regularly.

Pushing, kicking, throwing, bouncing.

Can you pass any other ways?
