Dear Parents and Carers

I hope this message finds you well. I am writing to you, as promised, to share the date for our first Heatherwood's Helping Hands meeting! Thank-you to so many of you who chatted to Ruby Bullock, our Associate Assistant Headteacher, at the Summer Fair on Saturday. We are encouraged that so many of you want to get involved and to support our wonderful school. Please see the information below about our group. We would love for as many of you as possible to be involved. You don't have to attend lots of meetings, or come to every event (unless of course you would like to!), it is about supporting us as and when you are able to, in as big or as small a way as you can. Perhaps you could send some emails on our behalf to support with fundraising, or write a letter to local businesses. Perhaps baking a cake or creating a Christmas card for us to sell is more your thing! Even sending some ideas in for us to consider at a meeting would be appreciated. We will leave that to you! Working families may find meetings hard to attend – we can do Teams, or simply send you the minutes. We are just so keen to hear the voice and ideas of as many of our community as we can.
