

Reading

In communication we have been reading a range of stories. Our particular favourite was 'We're going on a bear hunt'.

[🐻 We're going on a bear hunt - Animated and Read aloud! - YouTube](#)

We are reading seasonal texts including: Room on the broom, Snowbears Surprise, and Stick Man.

Remote learning for Purple class.

Hello Purple class and your families,

It is Autumn term and here are some ideas of activities you could do at home to support your super learning in school, all about Autumn and Winter. Hope you enjoy them and add any photos to See Saw

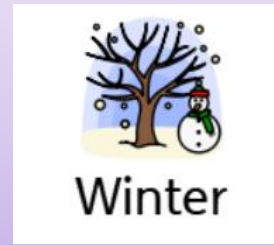

Caroline and the Team

Independence.

We have been working on developing our choice making skills during snack time. Offer your child a choice of two snack and allow them to choose their preferred snack.

We have also been developing our use of cutlery during dinnertimes to encourage pupils to eat more independently. At home, support your child to use cutlery during meal times. If needed, pre-load your child's fork / spoon to support them.

To be used to support the Sensory bottle activity.

Great songs for this time of the year

Communication

Seasonal Sensory Bottles

Why not create your own sensory bottle for Autumn. You could also make one for Winter.

All you will need is an empty plastic bottle and it's lid. Then collect autumn leaves, twigs, acorns, conkers (if they fit in), and push them into the bottle.

Then you could add some gold or orange glitter, sequins, anything that would add a bit of sparkle.

Fill the bottle with water (coloured if you fancy), and put the lid on TIGHT!

Then enjoy!!!!!!!
