2nd September 2025

Dear Parents and Carers,

Nut Allergy Reminder

We have students at Heatherwood and at The Bridge with severe nut allergies. For this reason, we continue to be a nut free school.

Under the Children and Families Act 2014, schools have a legal duty to make arrangements for pupils with medical conditions (including those with food allergies). This requirement is supported by the statutory guidance 'Supporting pupils at school with medical conditions'.

In order to ensure that we keep all of our young people safe, we respectfully ask that our families check to make sure that any food or snacks that are sent into school are free from nuts. We must insist that nothing containing nuts be sent into Heatherwood or The Bridge.

Thank-you in advance for your understanding and for your support in making sure that all our students are safe whilst at Heatherwood and The Bridge.

If you require any further information please do not hesitate to contact school.

Yours faithfully

Lyndsey Proctor
Headteacher
