Headteacher: Miss. Lyndsey Proctor

9th December 2025

Dear Parents and Carers

Recent Staff Appointments

I hope this letter finds you well. I am writing to let you know of some recent staff appointments at Heatherwood.

Lyndsey Kociuba will be transitioning from LSA to Moving & Handling in January 2026. This move will add extra capacity to our Moving & Handling team, until Summer 2026. Lyndsey will support Karen Cook in working with our staff team and providing outreach support to Doncaster schools.

Kath Coates will transition from her Family Engagement Officer role to Designated Safeguarding Lead (DSL) in school. We know that many of our families work very closely with Kath, and want to reassure you that she will still be at Heatherwood, just undertaking a different role. Kath's current role will be advertised in the coming days.

Louise Seagrave will start with us in the Spring Term as a second Deputy Headteacher (DHT). This will add capacity to our school leadership team (SLT).

We are thrilled to share these appointments with you, and wish our colleagues a huge success in their new roles.

Yours faithfully

Lyndsey Proctor
Headteacher
