Dear Parents and Carers,

Over the past year, we have listened carefully to parent voice regarding our annual school prom. Thank you to everyone who has taken the time to share thoughts, ideas and feedback with us.

Following this, we are pleased to let you know that we will be trialling a Heatherwood Prom held here at Heatherwood School. Although we remain in the early stages of planning, we are excited about the opportunities this may offer our students.

At this stage, we are simply gathering an early indication of numbers to support our planning. We appreciate that this is quite far in advance, but having this information will help us make informed decisions. When we have collected the information, there will be a cap on numbers/tickets to ensure we remain within safe capacity limits. Depending on overall interest, and due to risk assessment requirements, it may also be necessary to run the prom over two evenings. Once we have a clearer picture of attendance, we will confirm further details.

*Please could you complete the slip below and return it to school **by Wednesday 25th February 2026.***

Thank you for your continued support.

*Kind regards,
Ruby Bullock*
