Whole School Family Fun Sponsored Walk

Dear Parents and Carers,

Due to the current weather conditions and forecast, we have made the decision to move tomorrow's planned Sponsored Walk to Thursday 21st May when weather is forecast to be fine.

All other plans relating to the day, including class walking times, will remain the same.

Please let your child's class teacher know via Seesaw message if you are unable to support us on the day.

Thank you for your continued support.
